K1 Security, [] The pur-
K1 pose of the meeting was to ascertain the feasibility of
converting the [] existing manual pre-fire
alarm system to the type of manual system that upon
activation of a pull station, the audible fire bells
would ring throughout the building as well as transmit
an alarm to the Federal Protective Officer console
located on the second floor. GSA and the []
building management reached an agreement whereby GSA will
design and fund the necessary modification to the system
and [] will arrange for the installation. (U)

procedures have been posted, and an eye bath installed.
The new classroom area under the radome was converted
following Safety Group recommendations and should provide
an excellent and safe training area. (S)

X 7. Three members of the Technical Security Division
met with Office of Research and Development and Office
of Technical Service representatives to structure Office
of Security priorities if supplemental DDS&T funding be-
comes available. DDS&T will evaluate the Office of Secu-
rity projects to determine where supplemental funding
would have the most impact in FY 1980. (U/AIUO)

✓ 8. On 28 January, three members of the OSO/CI/OPS
visited the facilities of the Technical Security Division
at the [] Building and received a demonstration
by Office of Security members of the latest Hewlett-
Packard spectrum analyzer. They were also provided a
briefing of Office of Security packaging techniques for
overseas shipment. (C)
